(Sandy LinzerIrwin Levine)

Harsh words are spoken  
Promises are broken  
Old wounds are opened  
And love walks out that door

Too proud to make up  
You're ready to break up  
Too late you'll wake up  
And love walks out that door

Baby, oh sweet baby  
I didn't mean a word I said  
You know that I love you  
Can't we talk it over in bed

I never meant to hurt you  
I must have been out of my head  
Tell me you still want me  
Can't we talk it over in bed

Talk, talk, talk it over  
Talk, let's talk it out baby

Harsh words are spoken  
Promises are broken  
Old wounds are opened  
And love walks out that door

Too proud to make up  
You're ready to break up  
Too late you'll wake up  
And love walks out that door  
Out that door

Baby, oh sweet baby  
Won't let you walk out that door

Come on a little closer  
Can't we just forgive and forget

Everything seems to work out  
When we talk it over in bed

Too much time apart  
We need a little heart to heart

Can't sleep without you baby  
Ooh, cuddle up, cuddle up, cuddle up, cuddle up,  
baby  
Don't end the night this way  
Ooh, cuddle up, cuddle up, cuddle up, cuddle up,  
cuddle up, baby  
Oh sweet baby  
I didn't mean a word I said  
You know that I love you
