Harsh words are spoken
Promises are broken
Old wounds are opened
And love walks out that door

Too proud to make up
You're ready to break up
Too late you'll wake up
And love walks out that door

Baby, oh sweet baby
I didn't mean a word I said
You know that I love you
Can't we talk it over in bed

I never meant to hurt you
I must have been out of my head
Tell me you still want me
Can't we talk it over in bed

Talk, talk, talk it over
Talk, let's talk it out baby

Harsh words are spoken
Promises are broken
Old wounds are opened
And love walks out that door

Too proud to make up
You're ready to break up
Too late you'll wake up
And love walks out that door
Out that door

Baby, oh sweet baby
Won't let you walk out that door

Come on a little closer
Can't we just forgive and forget
Everything seems to work out

When we talk it over in bed

Too much time apart

We need a little heart to heart

Cant sleep without you baby

Oooh, cuddle up, cuddle up, cuddle up, cuddle up,
baby

Don't end the night this way

Oooh, cuddle up, cuddle up, cuddle up, cuddle up,
cuddle up, baby

Oh sweet baby

I didn't mean a word I said

You know that I love you
