"Christmas On My Radio"

Ooh Yea:

It's the first of December
And winter is here
So many reminders that Christmas is near
I love streets at night ablaze with light
The cities all a glow
But there's one thing I love the most

How I love those Christmas songs everyone can sing
along
Those words and melodies I learned by heart so long
ago
I love Christmas on my radio (Ooh ooh)

Away in a manger and the first noel
Oh come all ye faithful and silver bells
Singing dashing through the snow
And roasting chestnuts on the fire
And angels we have heard on high

How I love those Christmas songs everyone can sing
along
Those words and melodies
I learned by heart so long ago
I love Christmas on my radio

In line at the market with Rudolph reindeer
Last minute shopping on a midnight clear
I'm wrapping my present to the nut cracker sweet
And stuffing my stockings while rocking around the
tree

How I love those Christmas songs everyone can sing
along
Those words and melodies I learned by heart so long
ago
I love Christmas what's on my list is - Christmas on my
radio

Ooh on the radio
Mmm I like it on my radio
On my radio
Mmm on my radio

Mmm turn up the radio
