I'm gonna go out tonight
Gonna feel all right
If it tears me right in two

'Cause I just can't stay
Feeling this way
With a heart that's full of you

I'm gonna go right down
To a part of town
Where I've never been before

And in some small place
Find a brand new face
And step out on the floor

[CHORUS]

And I'll be dancing
'Round and 'round
And I'll be satisfied if
I can just hold my ground
And if he helps me
To keep your memory down
I'll be dancing 'round and 'round

Well you put
Some distance 'round you
I know I meant to see
There's a space inside for someone
But I know it isn't me

So among the boys
Who are searching
And the girls
Who hope they're found

If you look for me
I'm the one you'll see
Who's dancing 'round and 'round

[Repeat CHORUS]

Come on, music
Wash my tears away
Come on, darkness
Cover up the day

Dancing 'round and 'round
And I'll be satisfied
If I can just hold my ground

And if he helps me
To keep your memory down
I'll be dancing 'round and around
I'll be dancing 'round and around
