I can't imagine why you say the things you do?
Maybe in time I'll understand
What is the reason for the emptiness you feel
When I'm trying everything I can?

My love is runnin' deeper than the night
Stronger than the north wind blowing
It's a fire burning bright
And it's always been this way

Can you hear me? Am I really comin' through?
Why did your eyes seem to dance away?
I know what's right for you, haven't I always?
I need you more than I can say

My love is runnin' deeper than the night
Stronger than the north wind blowing
It's a fire burning bright
And it's always been this way

My love is runnin' deeper than the night
Stronger than the north wind blowing
It's a fire burning bright
And it's always been this way
And I'll never ever change

In my lifetime, I'll stay the same
Yes I'll never, I'll never change
I'll love you, I'll stay the same

My love is runnin' deeper than the night
Stronger than the north wind blowing
Fire burning bright
And it keeps on growin', keeps on growin'

Deeper than the night
Stronger than the north wind blowing
Fire burning bright
And it keeps on growin', keeps on growin'

Deeper than the night
Stronger than the north wind blowing

Fire burning bright
And it keeps on growin', keeps on growin'
Deeper than the night
