Fly
Though your wings are broken
Fly
Keep your heart wide open
Don't hide
Let your hopes and dreams flow
From deep inside
Lift you high

Oh, fly
Though the sun is covered with clouds
When you're scared your time's running out
Savor every moment that's rolling by
Realize you can fly
You can fly
Oh, just fly
Fly

If I could, I'd come and rescue you
Take your pain and make it mine
Every stumble, every fall
Can be a blessing in disguise
Just fly
Oh, just fly

Cry
Melt the fear that's frozen inside
Let your tears rekindle your fire

You can find the courage that you desire
If you try
You can fly

Fly
Fly
Fly
If I could, I'd come and rescue you
Take your pain and make it mine
Every stumble, every fall
Can be a blessing in disguise

Just fly
Oh, just fly
Ah-ah...
Fly
Oh, just fly
Fly
Fly
Fly, fly
Fly, fly
Oh, just fly
Fly
Fly
