(Bruce Welch/Alan Tarney)

Jody's gone now, I cried a lot  
He had to go away  
Oh but I miss him, I want to kiss him  
Ain't it just the way  
But it's no way at all  
Cause if you knew what I'm going through you'd know  
There's one thing wrong with the way I'm living  
Ain't got my Jody no more

Hey, Mr. Dreammaker, send me a dream  
This one is over  
It's not what it seems  
And so tonight when I turn out the light  
Send me a new dream tonight

He didn't say much  
Just a little touch and he was on the way  
Oh I could have cried then  
Instead I died there  
He left me standing dazed  
But it's no use crying  
That's what everybody tells me  
But they don't seem to know  
Cause there's one thing wrong with the way I'm living  
Ain't got my Jody no more

Hey, Mr. Dreammaker, send me a dream

This one is over  
It's not what it seems  
And so tonight when I turn out the light  
Send me a new dream tonight

Oh oh oh, oh oh oh, oh oh oh, hey Mr. Dreammaker

Hey, Mr. Dreammaker, send me a dream  
This one is over  
It's not what it seems  
And so tonight when I turn out the light  
Send me a new dream tonight

Send me a dream tonight

Hey, Mr. Dreammaker, send me a dream  
This one is over  
It's not what it seems  
And so tonight when I turn out the light  
Send me a new dream tonight

Oh oh oh, oh oh oh, oh oh oh, hey Mr. Dreammaker  
Oh oh oh, oh oh oh, oh oh oh
