She stood there bright as the sun
On that California coast
He was a Midwestern boy on his own
She looked at him with those soft eyes
So innocent and rare
He knew right then he was too far from home

She took his hand and she led him
Along that golden beach
They watched the waves tumble over the sand
They drove for miles and miles
Up those twisting, turning roads
Higher and higher and higher they climbed

And those Hollywood Nights
In those Hollywood hills
She was looking so right
In her diamonds and frills
Oh, those big city nights
In those high rolling hills
Above all the lights
She had all of her skills

Oh, those Hollywood Nights
In those Hollywood hills
Looking so right in those diamonds
And diamonds and frills

Yeah, those Hollywood Nights
In those Hollywood hills
She was looking so right
It was giving him chills
Oh, those big city nights
In those high rolling hills
Above all the lights
With a passion that kills

Yeah, those Hollywood Nights
Yes, those Hollywood Nights
She was looking so right
Hollywood Nights
