Alone, so alone that I could cry
I wanna be wanted
Alone, watching lovers passing by
I wanna be wanted

When Iâ€™m kissed I want his lips to really kiss me
When weâ€™re apart I want his heart to really miss me
I want to know he loves me so, his eyes are misty
Thatâ€™s the way I wanna be loved

Alone, just my lonely heart
Knows how I wanna be wanted
Right now, not tomorrow
But right now I wanna be wanted
I want someone to share my laughter and my tears with
Someone I know Iâ€™d love to spend a million years with
Where is this someone, somewhere, meant for me,
yeah

Oh I want someone to share my laughter and my tears
with
Someone I know Iâ€™d love to spend a million years with
Where is this someone, somewhere, meant for me
Oh, meant for me
Ooh, meant for me
