If not for you, babe, I
couldn't even find the door
I couldn't even see the floor
I'd be sad and blue
if not for you

If not for you
Babe, the night would
see me wide awake
The day would surely
have to break
It would not be new
if not for you

(chorus)
If not for you
my sky would fall
Rain would gather too
without your love

I'd be nowhere at all
I'd be lost, if not for you

If not for you
the winter would hold no spring
Couldn't hear a Robin sing
I just wouldn't have a clue
if not for you

(chorus)

If not for you
the winter would hold no spring
You couldn't hear a robin sing
I just wouldn't have a clue
if not for you
if not for you
