If we only have love  
And tomorrow will dawn  
And the days of our years  
Will rise on that morn

If we only have love  
To embrace without fears  
We will kiss with our eyes  
We will sleep without tears

If we only have love  
We can reach those in pain  
We can heal all our wounds  
We can use our own names

If we only have love  
We can melt all the guns  
And then give the new world  
To our daughters and our sons

If we only have love  
With our arms open wide  
Then the young and the old  
Will stand at our side

If we only have love  
We will never bow down  
We'll be tall as the pines  
Neither heroes nor clowns

If we only have love  
To be shared with all men  
We will drink from the grail  
To be born once again

If we only have love  
If we only have love
