Wherever you go  
Wherever you may wander in your life  
Surely you know  
I always wanna be there

Holdin' you hand  
And standing by to catch you when you fall  
Seein' you through  
In everythin' you do

Let me be there in your mornin'  
Let me be there in you night  
Let me change whatever's wrong and make it right

Let me take you through that wonderland  
That only two can share  
All I ask you is let me be there

Watchin' you grow  
And goin' through the changes in your life  
That's how I know  
I always wanna be there

Whenever you feel  
you need a friend to lean on, here I am  
Whenever you call  
you know I'll be there

Let me be there in your mornin'  
Let me be there in you night  
Let me change whatever's wrong and make it right

Let me take you through that wonderland  
That only two can share  
All I ask you is let me be there

Let me be there in your mornin'  
Let me be there in you night  
Let me change whatever's wrong and make it right

Let me take you through that wonderland  
That only two can share

All I ask you is let me be there  
All I ask you is let me be there
