I can tell you got plans for me
And your eyes are saying
You made them carefully
But tonight, I have to say
There just might be another way

Won't you spare me all the charms
And take me in your arms
I can't wait, I can't wait

(CHORUS)
I'm the one you want
That's all I wanna be
So come on, baby
Make a move on me
Got nowhere to go
All my time is free
So come on, baby
Make a move on me tonight
I can't wait (I can't wait)
I can't wait (I can't wait)

You made the prettiest
Speech I've heard
But a single touch surely
Is worth a thousand words

To a heart that's open wide
And from the start
Was on your side

Won't you spare me all the charms
And take me in your arms
I can't wait, I can't wait

(CHORUS) 3X to fade
