I spend my days just Mooning
So sad and blue, so sad and blue.
I spend my nights just Mooning
All over you. (All over who?)

Oh I'm so full of love
As any fool can see
'Cause angels up above
Have hu-u-ung a moon on me.

Why must you go (why must I go)
On Mooning
So all alone? (So all alone?)
There would be no (there would be no)
More Mooning if you would call me (up on the phone)

I guess I'll keep on striking poses
'Till my cheeks have lost their roses
Mooning over you.

I'll stand behind (you'll stand behind)
You Mooning
Forevermore (forevermore).
Someday you'll find (someday I'll find)
Me Mooning at your front door (at my front door?!)

Every day in school I watch you,
Always will until I got you
Mooning too!

There's a moon out tonight!
