### "Never The Less / As Time Goes By"

(B. Kalmer and H. Ruby/H. Hupfeld)  
Maybe I'm right and maybe I'm wrong  
Maybe I'm weak and maybe I'm strong  
But never the less I'm in love with you

Maybe I'll win and maybe I'll lose  
And maybe I'm in for crying the blues  
But never the less I'm in love with you

Somehow I know at a glance  
The terrible chances I'm taking  
Fine at the start  
Then left with a heart that is breaking

Maybe I'll live a life of regret  
And maybe I'll give much more than I get  
But never the less  
I'm in love with you

You must remember this  
A kiss is just a kiss  
A sigh is still a sigh  
The fundamental things apply  
As time goes by

And when true love is true  
They still say I love you  
On that you can rely  
No matter what the future brings  
As time goes by

Moonlight and love songs  
Never out of date  
Hearts full of passion  
Jealousy and hate  
Woman needs man  
And man must have his mate  
That no one can deny

It's still the same old story

A fight for love and glory  
A case of do or die  
The world will always welcome lovers  
As time goes by

But never the less  
I'm in love with you  
Never the less I'm in love
