(Olivia Newton-John)

No me voy a rendir, no no  
No me voy a rendir, no no  
No me voy a rendir, no no  
No me voy a rendir

Oh I'm not gonna give into it no  
I'm not gonna give into it no no  
I'm not gonna give into it no  
I'm not gonna give into it

There are nights when the moon  
Shines in my eyes and haunts my mind  
And I can't sleep a wink  
And I really don't want to think

There are times when I feel  
If I sleep I'll die  
But I dare not cry  
And I run from my tears  
And I fight them back with my fears

Oh I'm not gonna give into it no  
I'm not gonna give into it no no  
I'm not gonna give into it no  
I'm not gonna give into it

And I feel so alone  
For although you care  
No one else can share

It's my own misery  
In the end it's all up to me

Oh I'm not gonna give into it no  
I'm not gonna give into it no no  
I'm not gonna give into it no  
I'm not gonna give into it

And I watch you sleep soundly  
So peacefully unaware

And your breath is soothing to me  
And it's good to know you're there

Then the morning comes  
With it's golden light  
And I feel alright  
And my heart beats again  
But the night is not my friend

Oh I'm not gonna give into it no  
I'm not gonna give into it no no  
I'm not gonna give into it no  
I'm not gonna give into it
