Oh Christmas tree, oh Christmas tree  
Such pleasure do you bring me  
Oh Christmas tree, oh Christmas tree  
Such pleasure do you bring me

Every year this Christmas tree  
Brings to us both joy and glee  
Oh Christmas tree, oh Christmas tree  
Such pleasure do you bring me

Oh Christmas tree, oh Christmas tree  
Thy candles shine so brightly  
Oh Christmas tree, oh Christmas tree  
Thy candles shine so brightly

Each bough does hold it's tiny light  
It makes each toy to sparkle bright  
Oh Christmas tree, oh Christmas tree  
Thy candles shine so brightly
