Andy Gibb:

All my love, all my kissing
You don't know what you been a-missing, oh, boy!
When you're with me, oh, boy!
The world can see that you were meant for me

Olivia:

All my life, I been a-waiting
Tonight there'll be no hesitating, oh, boy!
When you're with me, oh, boy!
The world can see that you were meant for me
"Here's England's Cliff Richard!"

Cliff:

Stars appearing, the shadows are a-falling
You can hear my heart a-calling
A little bit of love will make everything right
I'm gonna see my baby tonight

All:

All my love, all my kissing
You don't know what you been a-missing, oh, boy!
When you're with me, oh, boy!
The world can see that you were meant for me

Olivia:

"Here's everybody's Elton John!"

Elton:

All my love, all my kissing
You don't know what you been a-missing, oh, boy!
When you're with me, oh, boy!
The world can see that you were meant for me

All my life, I been a-waiting
Tonight there'll be no hesitating, oh, boy!
When you're with me, oh, boy!
The world can see that you were meant for me

All:

Stars appearing, the shadows are a-falling

You can hear my heart a-calling
A little bit of love will make everything right
I'm gonna see my baby tonight

All my love, all my kissing
You don't know what you been a-missing, oh, boy!
When you're with me, oh, boy!
The world can see that you were meant for me

Dum-diddlee-dum-dum
Oh, boy!
