(Stephen SinclairJoe Falsia)

I want to love you once again
Couldn't you love me too
Don't turn away from all that we've been thru
Everyone changes, be my friend
Haven't you got the time
Help me I need you, throw me down a line

Please don't keep me waiting
I can't hold on much longer
Please don't keep me waiting
I can't love you any stronger
Please don't keep me waiting
I can't take this kind of pain
Take me back in your arms once again

Living on dreams from yesterday
Waking and you're not here
I wanna see your face
I want you near
Now is the moment we must live
You can't run and hide
I know you want me too
Down deep inside

Please don't keep me waiting
I can't hold on much longer
Please don't keep me waiting
I can't love you any stronger
Please don't keep me waiting
I can't take this kind of pain
Take me back in your arms once again

Please don't keep me waiting
I can't hold on much longer
Please don't keep me waiting
I can't love you any stronger
Please don't keep me waiting
I can't take this kind of pain
Take me back in your arms once again
