When you go through a day  
And the things that people say  
They make you feel so small  
They make you feel that  
Your heart will just never stop aching  
And when you just can't accept the abuse you are  
taking

Darlin', reach out for me  
Don't you worry, I'll see you through  
You just have to reach out for me  
I'll be there and I'll comfort you  
Oh yes, I will comfort you and love you  
Oh, how I'm gonna love you

When good friends prove untrue  
And the things they do to you  
They make you feel so bad  
They make you feel that  
You haven't a reason for living  
So when you feel you could throw in the towel and just  
give in

Darlin', reach out for me  
Don't you worry, I'll see you through  
You just have to reach out for me  
I'll be there and I'll comfort you  
Oh yes, I will comfort you and love you  
Oh, how I'm gonna love you

Reach out, reach out

They make you feel so small  
They make you feel that  
Your heart will just never stop aching  
And when you just can't accept the abuse you are  
taking

Darlin', reach out for me  
Don't you worry, I'll see you through  
You just have to reach out for me  
I'll be there and I'll comfort you

Oh yes, I will comfort you and love you  
Oh, how I'm gonna love you

Reach out, reach out, reach out  
Reach out, reach out

Sleep my darling, goodnight, fair angels in white  
Shall watch all your sleep and safely you keep  
Close your sweet star like eyes into dreams paradise  
Close your sweet star like eyes into dreams paradise  
Good night
