Olivia Newton-John & Andy Gibb

Maybe you don't know me any more than I know you
And I wouldn't blame you if you walked away
I've been watching you all evening with the teardrops in
your eyes
And it touches me much more that I can say

You know I hate to think that someone
Could have hurt someone like you
And at times like this I'd be right by your side

Lay your troubles on my shoulders
Put your worries in my pocket
Rest your love on me a while
Lay your troubles on my shoulders
Put your worries in my pocket
Rest your love on me a while

Saw you in the corner on the moment I walked in
Saw your lonely face across the room
No, I won't forget it, and the way it might have been
Oh, why did you have to leave so soon

You know I hate to think that someone
Could have loved you more than me
And if I was them I'd be right by your side

Lay your troubles on my shoulders
Put your worries in my pocket
Rest your love on me a while
Lay your troubles on my shoulders
Put your worries in my pocket
Rest your love on me a while

How long must I wait for the last train to leave here
Yeah the last chance to go
Get to thinking I was born too soon
How long honey, when the loving don't go on
I was there when you left here
Just didn't know how to begin

Oh, lay your troubles on my shoulders
Put your worries in my pocket
Rest your love on me a while, yeah
Lay your troubles on my shoulders
Put your worries in my pocket
Rest your love on me a while

Lay your troubles on my shoulders
Put your worries in my pocket
Rest your love on me a while
Lay your troubles on my shoulders
Put your worries in my pocket
Rest your love on me a while

Lay your troubles on my shoulders
Put your worries in my pocket
Rest your love on me a while
