So many years gone, still I remember  
How did I ever let my heart believe  
In one who never gave enough to me

And so many years gone, a love that was so wrong  
And I can't forget the way you used to be  
And how you changed the test of love for me

And you were my one more chance  
I never thought I'd find  
You were the one romance  
I've always known in my mind  
No-one will ever touch me more  
And I only want that you return  
I might have saved the best of me for you

And we'll have no enemies if we can hold on  
And I think I've come this far because of you  
Could be no other love but ours will do

You were my one more chance  
I never thought I'd find  
You were the one romance  
I've always known in my mind  
No-one will ever touch me more  
And I only hope that in return  
I might have saved the best of me for you

No-one will ever touch me more  
And I only hope that in return  
No matter how much we have to learn  
I saved the best of me for you
