"The Power Of Now"

I believe
I believe in the power of now
I believe I will see
If I let go somehow
To be here in this moment
Is all that I ask
In the heart of forever
No future, No past
I believe
I believe

In the blink of an eye
In the palm of my hand
In the ocean so wide
In a small grain of sand
I believe
I believe in the power of now
I believe I will see
If I let go somehow
To be here in this moment
Is all that I ask
In the heart of forever
No future, No past
I believe
I believe

In the absence of time
On the edge of a blade
Let the blossom unfold
Through the night's velvet cage
I believe
I believe in the power of now
I believe I will see
If I let go somehow

To be here in this moment *[repeat]*
Is all that I ask
In the heart of forever
No future, No past
I believe ...

I believe ...
