"Till You Say You'll Be Mine"

(J. De Shannon)

I don't care if the sky is pretty blue
I don't care if the sun comes shining through
It really doesn't matter, baby
My heart keeps crying
Oh, life means nothing till you say you'll be mine

Until you say you'll give all your love to me
Ain't nothing in this world that can make me happy
I just got to have you for my own
My heart keeps crying
Oh, life means nothing till you say you'll be mine

Every night I pray that we can
Someday walk hand-in-hand down the aisle
But I guess I'll have to wait and see
Oh, this waiting is killing me
I'm no child

I don't care if I had all the money in the world
It just wouldn't matter if I wasn't your girl, baby
There's only one thing that will stop my heart from
crying
The day you tell me that you'll be mine
I'll be so happy the day you tell me that you'll be mine
