Oh there is no need analyze  
This kind of emotion  
'Cause it comes naturally  
A simple case of feeling love and devotion  
So tell me tenderly  
I want to give my life to you  
I want to feel my blood run through you  
And oh I want to touch you  
Over and over and over again

Two strong hearts  
We stick together like the honey and the bee  
You and me  
We got two strong hearts  
Reaching out forever like a river to the sea  
Running free

There's just no need for compromising  
My reputation  
When you lead me astray  
I'm proud to be a part of this fascination  
When I hear you say  
I want to be there to guide you  
I want to feel my love inside you  
And oh oh I want to touch you  
Over and over and over again

\*We got two strong hearts  
We stick together like the honey and the bee  
You and me  
We got two strong hearts  
Reaching out forever like a river to the sea  
Running free

\*repeat three times

Just you and me
