When it's snowing
In December
That's
When I remember
How it used to be
I could smell
My mama's cooking
While Dad
Was outside
Looking for
A Christmas tree
Christmas time
In summer
Is the way
It is down under

But the mood's
The same
When the presents
Were all open
We'd have carols
By the ocean
While
The children played
One child was me
And I still believe
That's how
It's meant to be

Chorus:
On Christmas eve
All around the world
Everybody's wishes
Are the same
For peace on Earth

It can happen
If we try
We all share
This dream
Underneath
The same sky

Now that I'm
A mother Christmas
Has another kind
Of joy for me

Giving
Not receiving
To those
Who are in need
Is what
The season means
Our children see
Through you
And me
That's how
It's meant to be

So dream with me
Cause you and I
Are underneath
The same sky
Underneath
The same sky
