Song Title: What will I do

Artist: Olivia Newton-John

Meet you by surprise, didn't realize
Let my love could change forever
Saw you standing there
I didn't know I can't
There is something special in the end.
Dreams are my reality
The only kind of real fantasy
In lotion sorrow come to fill
I try to live in dreams
It seems as if its mend to be.
Dreams are my reality
A differnet kind of reality
I dream of loving in the night and loving seems alright
Although it show me fantasy.
If you do exceeds, honey don't for sits
Show me in your way of loving
Tell me that is true
Show me what to do
I feel something special about you.
Dreams are my reality
The only kind of reality
May be my foolish less depress
And may be now with last
And see how the real friends can be.
Dreams are my reality
A wonderous world were I like to be
I dream with holding moon light and holding news in
try
Perhaps that's my reality.
Meet you by surprise, didn't realize
Let my love could change forever
Tell me that is true
Feeling that on you
I feel something special about you.
Dreams are my reality
A wonderous world were I like to be
In lotion sorrow come to fill
I try to live in dreams
Although its only fantasy.

Dreams are my reality
I like to dream of you close to me
I dream of loving in the night
And loving new in try
Perhaps that's my reality.
