(Jeff Lynne and John Farrar)

A place where nobody dared to go  
The love that we came to know  
They call it, "Xanadu"  
[The days you cried can't be denied]

And now, open your eyes and see  
What we have made is real  
We are in "Xanadu"  
[The dream in you, they offer you]

A million lights are dancing  
And there you are a shooting star  
An everlasting world  
And you're here with me eternally

Xanadu, Xanadu  
[Now we are here] in Xanadu  
Xanadu, Xanadu  
[Now we are here] in Xanadu

Xanadu, your neon lights will shine  
For you, Xanadu

The love;  
The echoes of long ago you needed the world to know  
They are in Xanadu  
[Now everyday, you'll dream away]

The dream that came through a million years  
That lived on through all the tears  
It came to Xanadu  
[The dreamer in you will make it happen for you]

A million lights are dancing  
And there you are a shooting star  
An everlasting world  
And you're here with me eternally

Xanadu, Xanadu  
[Now we are here] in Xanadu

Xanadu, Xanadu  
[Now we are here] in Xanadu

Now that I'm here; now that you're near

In Xanadu  
Now that I'm here; now that you're near  
In Xanadu

Fool, whatever you do you're reminded  
Fool, wherever you go you're reminded  
I'm really down on love, so save all your smiles  
Ooh, I won't be needin' any love for a while

I'm really down on love, so save all your smiles  
Ooh, I won't be needin' any love for a while

Fool, fool, fool  
Fool, fool, fool  
Fool, wherever you go you're a loser  
Such a fool, I want you to know you're a loser

I'm really down on love, so save all your smiles  
Ooh, I won't be needin' any love for a while  
I'm really down on love, so save all your smiles  
Ooh, I won't be needin' any love for a while  
Fool, Fool

I'm sure I should pass a law laid down  
Declare you will never wear your face in a frown  
Obey or be on your way, get on the first stage out of  
this town

There's me and my deputies, so shake it down and me  
If you don't grin, we will take you in  
So spread some sunshine around  
Obey or be on your way, get on the first stage out of  
this town

Xanadu, Xanadu  
In Xanadu  
Xanadu, Xanadu  
In Xanadu

Now that I'm here, now that you're near in Xanadu  
Now that I'm here, now that you're near in Xanadu  
Xanadu
