I've been worry all day long
Don't know if I'm right or wrong
I just can't help what I say
Your love make me speak this way

Why,oh why should I feel blue
once I used to laugh at you
but now I'm cryin'
No use denyin'
but no one else but you what do

You made me love you
I didn't want to do it
I didn't want to do it
You made me want you
And all the time you knew it
I guess you've always knew it

You made me happy sometimes
You made me glad
But there were times, dear
You made me feel so bad

You made me sigh for
I didn't wanna tell ya
I didn't wanna tell ya
I want some love, that's true
Yes I do, 'Deed I do
You know I do
Gimme, gimme what I cry for
You know you've got the
kind of kisses
That I'd die for
You know
You made me love you
