Anywhere you wanna go  
Anything you need to know  
All the best in life  
I want to get it for you  
Lately I just feel so fine  
I imagine that you're mine  
In my world you're gold  
I only want to protect you

Whatever I want, I get, I want a shooting star  
Whatever I need, I have when I'm with you

Follow me inside, outside  
Through the stratosphere  
The moon is shining for you  
It knows that I adore you  
Suddenly all the sadness  
Will just slip away  
And you will see what I mean  
If you just follow me in my dreams

I was searching everywhere  
Suddenly I saw you there  
And my love arrived  
Just in the nick of time  
Life floats on a movie screen  
You're the star of my scene  
We live on the edge of a knife  
Larger than life

Whatever I want, I get, no one could take your place  
Whatever I need, I have when I see your face

Follow me inside, outside  
Through the stratosphere  
The moon is shining for you  
It knows that I adore you  
Suddenly all the sadness  
Will just slip away  
And you will see what I mean  
If you follow me in my dreams

## Guitar Solo

Follow me inside, outside  
Through the stratosphere  
The moon is shining for you  
It knows that I adore you  
Suddenly all the sadness  
Will just slip away  
And you will see what I mean  
If you follow me in my dreams
