I care for what you're thinking
As you turn to me
Cause what I have in my two hands
Is enough to set me free.
(set me free)

I can fight the feeling
To resist it overtime.
But when it's just too much to take
You sneak up from behind

Is it me?
You say ... you're looking for
Let me show you who I am and what I'm
Here for...Here for.

Try to reach inside of me
Try to gain my energy
Let me show you just
What I'm made of

Simple Curiosity
Trying to take a bite of me
Let me show you just
What I'm made of now

Like a million faces
I recognize them all
and one by one they've all become
a number as they fall
(as they fall)

In the face of reason
I can't take no more
One by one they've all become
a black mark on the floor

Is it me?(is it me)

You say(you say) ... you're looking for
Let me show you who I am and what I
Have in store...in store.

Hey!Hey! Yeah!

Try to reach inside of me
Try to gain my energy
Let me show you just
What I'm made of

Simple Curiosity
Trying to take a bite of me
Let me show you just
What I'm made of now

You can take another lifelong try.
You can take another try.

[instrumental break]

Try to reach inside of me
Try to gain my energy
Let me show you just
What I'm made of

Simple Curiosity
Trying to take a bite of me
Let me show you just
What I'm made of now

Try to reach inside of me
(Let me show you what I'm Made of)
Try to gain my energy
(Let me show you what I'm Made of)
Let me show you just
What I'm made of
