My voice will crack  
The notes will shake  
Ground will move  
And the mountains quake  
Every knee will bow  
Tongue will scream  
Scream out loud:  
"Jesus is here, now  
Jesus is here."  
First time round  
He turned a cheek  
This time round  
The sword unsheathed  
The battle fought  
The war is won  
The devil done  
God's kingdom come  
Jesus has won  
Jesus has won  
God's kingdom come  
So we'll sing out together and dance till no end  
Fall on our faces with praises and, friend  
(Repeat)  
My voice will crack  
The notes will shake  
Ground will move  
And the mountains quake  
Every knee will bow  
Tongue will scream  
Scream out loud:  
"Jesus is here  
Jesus is here  
Jesus is here  
Jesus is here."  
So we'll sing out together and dance till no end  
Fall on our faces will praises and, friend  
(Repeat)  
For all He has done  
For all He will do  
For all He's doing  
Sing Halleluah
