Night of Friday gotta feel it,
Weekends over we can begin it.
Over Sunday follow Monday,
No this is a Saturday
And I'm feelin' great
One thing left to do

(Time to say)
Beautiful day
(Time to say)
Beautiful day
These days are few
And far between
So get on your feet
And sing along with angels
As they cry

Thank you for life
Never taking any breath or any second
For granted I will fail yet I will try
I will try

Sun is sinking
Air is cooling
Day is dieing
Night arriving
White wash
Ocean waves
No place I'd rather be
No wind no crowd
Only friends out
This is our hope
This is your song

(Time to say)
Beautiful day
(Time to say)
Beautiful day
These days are few
And far between
So get on your feet
And sing along with angels

As they cry

Thank you for life
Always taking every breath and every second
Moment opportunity
To shine

Thank you for life
Never taking any breath or any second
For granted I will fail yet I will try

Thank you for life
Always taking every breath and every second
Moment opportunity
To shine

Thank you for life
Never taking any breath or any second
For granted I will fail yet I will try
