We in your pussy, We fuck slow, We pull it out then we
make your ass blow. We never stare like a trick, we
make the pussy come and pay for the dick.

We in your pussy, We fuck slow, We pull it out then we
make your ass blow. We never stare like a trick, we
make the pussy come and pay for the dick.

Ho stopping all over the world. I got something for your
big mouth girl. Hydrolics on your neck and head.
Hitting switches on my dick in bed. Go in the pussy,
then I roar. You can't walk cuz your pussy sore. Walk
faster you ain't that fly. You called that smelly pussy a
candy pie.

We in your pussy, We fuck slow, We pull it out then we
make your ass blow. We never stare like a trick, we
make the pussy come and pay for the dick.

We in your pussy, We fuck slow, We pull it out then we
make your ass blow. We never stare like a trick, we
make the pussy come and pay for the dick.

Don't wanna see you bitch. Unless you make me rich.
Bring me a ton of cash. Before I whoop your ass. Keep
your heads bobbin, keep your pussies popping.
Afroman is back, we call it ho stopping.

We ho stopping, we ho ho stopping. We ho stopping we
ho ho stopping, we ho stopping, we ho stopping, we ho
ho stopping, we ho stopping we ho ho stopping.

Still low riding on 13's. Sagging khakis, sporting ghetto
jeans. Color coordinate with my stars. Car jacking divas
for their cars. You got tint on your ride. But it don't help
I know who's inside. Ho stopping, losing my breath,
fuck it to the right then back to the left.

We in your pussy, We fuck slow, We pull it out then we
make your ass blow. We never stare like a trick, we
make the pussy come and pay for the dick.

We in your pussy, We fuck slow, We pull it out then we
make your ass blow. We never stare like a trick, we
make the pussy come and pay for the dick.
