Hey u like that shit
When a hooker is young she uses vaseline
What she use when she gets old?

I'm in your pussy
Bumpin up against yer ass
With my left hand I'm rubbin up on your titties
With my right I'm smokin grass

Afroman palm dale cali get high desert
Any dope valley
When I was a boy I couldn't find a girl
Now I got women all over the world
Like Naughty Nancy from North Carolina
Back n forth in her hot vagina
Is your pussy sore?
She said kinda... she came
People heard her screaming in China
Big Jug June down in Peru
Sucked me till my dick shrivelled up like a prune
10 minutes later my dicks high point
June smoked it like a joint
Your daughters fucked
You caught her yelling
I gotta rotate
In Cape Carteret
Doing the dime at the time
Drinking my jizz like colt 45
