Let's all get drunk tonight, I hope I don't fight with a
punk tonight
Let's all get high tonight, maybe nobody will die tonight
Let's all sell yell tonight, I hope I don't go back to jail
tonight
Let's go to the club tonight, find a woman that wanna
make love tonight
Yeah, yeah, yeah

Let's get dumb, drink some rum
Make my teeth and gums feel real numb
We'll be thinking 'bout surviving
While we're drinking and we're driving

Hope I don't wreck when my vision gets blurry
Sober up looking at an all white jury
Judge don't like no drunk like me
Punk might give me strike number three

'Cause when I'm drunk and when I'm high
I don't give a damn 'bout a DUI
Let's just get lit, dance like a nitwit
Try to talk to the women that we can't get with

Me and my staff make everybody laugh
If the beer runs out, we can all go half
It's Friday night got the perfect weather let's get drunk
together
Come on hoes

Let's all get drunk tonight, I hope I don't fight with a
punk tonight
Let's all get high tonight, maybe nobody will die tonight
Let's all sell yell tonight, I hope I don't go back to jail
tonight
Let's go to the club tonight, find a woman that wanna
make love tonight
Yeah, yeah, yeah

Check it out home boy
Bacardi, colt, 45, let's party, we're still alive
Tomorrow brings pain and sorrow, but tonight, we're all

right
So drink that beer 'til your belly can't hold it
Tell the homeboys, we fittin' to get loaded

Rollin' through the ante-dope valley out there
Hope the cops don't smell that beer on my breath
'Cause if the sheriff catch a whiff of that fifth
It'll probly knock him stiff

Don't look dumb if my breath on hum
Stick your hand in you're pocket, please, pass some
gum
So the cops can't tell my breath smell
We won't go to jail, we'll go to palm dale
With the beautiful women and the beautiful weather
We can both get drunk together yeah

Let's all get drunk tonight, I hope I don't fight with a
punk tonight
Let's all get high tonight, maybe nobody will die tonight
Let's all sell yell tonight, I hope I don't go back to jail
tonight
Let's go to the club tonight, find a woman that wanna
make love tonight
Yeah, yeah, yeah

Check it out home boy
Baby, I beg your pardon, but your outfit's giving me a
hard-on
Maybe some way, maybe some how, you could dance
with me
Right here, right now
Been lookin' at you all night long that DJ's playing my
favorite song
Everything is splendid, don't mean no harm
Don't get offended when I pull your arm

I ain't felt this good since I don't know when
And I might not feel this good again
It's Friday night, beautiful weather, let's get drunk
together
C'mon, y'all

Let's all get drunk tonight, I hope I don't fight with a
punk tonight
Let's all get high tonight, maybe nobody will die tonight
Let's all sell yell tonight, I hope I don't go back to jail
tonight
Let's go to the club tonight, find a woman that wanna
make love tonight
Yeah, yeah, yeah

Let's all get drunk tonight, I hope I don't fight with a
punk tonight
Let's all get high tonight, maybe nobody will die tonight
Let's all sell yell tonight, I hope I don't go back to jail
tonight
Let's go to the club tonight, find a girl that wanna make
love tonight
Yeah, yeah, yeah
