Let's all get drunk tonight  
(Hell yeah)  
I hope, I don't fight with a punk tonight  
(C'mon)  
Let's all get high tonight  
Maybe nobody will die tonight  
(C'mon, dance with me baby, c'mon)

Let's all sell yell tonight  
(Sling yay)  
I hope, I don't go back to jail tonight  
(Not tonight)  
Let's go to the club tonight  
Find a woman that wanna make love tonight  
Let's get dumb, drink some rum  
Make my teeth and gums feel real numb

We'll be thinking 'bout surviving  
While we're drinking and we're driving  
Hope I don't wreck when my vision gets blurry  
Sober up looking at an all white jury

Judge don't like no drunk like me  
Punk might give me strike number three  
'Cause when I'm drunk and when I'm high  
I don't give a damn 'bout a DUI

Let's just get lit, dance like a nitwit  
Try to talk to the women that we can't get with  
Me and my staff make everybody laugh  
If the beer runs out, we can all go half

It's Friday night  
Got the perfect weather  
Lets get drunk together

Let's all get drunk tonight  
(Hell yeah)  
I hope I don't fight with a punk tonight  
(C'mon)  
Let's all get high tonight  
Maybe nobody will die tonight

(C'mon, dance with me baby, c'mon)

Let's all sell yell tonight  
(Sling yay)  
I hope I don't go back to jail tonight  
(Not tonight)  
Let's go to the club tonight  
Find a woman that wanna make love tonight

Bacardi, Colt .45 let's party, we're still alive  
Tomorrow brings pain and sorrow  
But tonight, we're all right  
Drink that beer 'til your belly can't hold it  
Tell the homeboys, we fittin' to get loaded

Rollin' through the ante-dope valley out there  
Hope the cops don't smell that beer on my breath  
'Cause if the sheriff catch a whiff of that fifth  
It'll probly knock him stiff

Don't look dumb if my breath on hum  
Stick your hand in you're pocket, please, pass some  
gum  
So the cops can't tell my breath smell  
We won't go to jail, we'll go to Palmdale  
With the beautiful women and the beautiful weather  
We can both get drunk together

Let's all get drunk tonight  
(Hell yeah)  
I hope I don't fight with a punk tonight  
(C'mon)  
Let's all get high tonight  
Maybe nobody will die tonight  
(C'mon, dance with me baby, c'mon)

Let's all sell yell tonight  
(Sling yay)  
I hope I don't go back to jail tonight  
(Not tonight)  
Let's go to the club tonight  
Find a woman that wanna make love tonight

Baby, I beg your pardon  
But your outfit's giving me a hard-on  
Maybe some way, maybe some how  
You could dance with me, right here, right now

Been lookin' at you all night long  
That DJ's playing my favorite song  
Everything is splendid, don't mean no harm

Don't get offended when I pull your arm

I ain't felt this good since I don't know when  
And I might not feel this good again  
It's Friday night, beautiful weather  
Let's get drunk together  
(C'mon, y'all)

Let's all get drunk tonight  
(Hell yeah)  
I hope I don't fight with a punk tonight  
(C'mon)  
Let's all get high tonight  
Maybe nobody will die tonight  
(C'mon, dance with me baby, c'mon)

Let's all sell yell tonight  
(Sling yay)  
I hope I don't go back to jail tonight  
(Not tonight)  
Let's go to the club tonight  
Find a woman that wanna make love tonight

Let's all get drunk tonight  
I hope I don't fight with a punk tonight  
Let's all get high tonight  
Maybe nobody will die tonight

Let's all sell yell tonight  
I hope I don't go back to jail tonight  
Let's go to the club tonight  
Find a girl that wanna make love tonight
