Afroman - Let's get high tonight

Lyrics by Markus Martinsson

Let's get drunk today

Let's get high tonight

Maybe in the morning

Things will be alright

I am living under

So much stress and strife

Sometimes I stop and wonder

How to enjoy my life

Hanging with my homies

Talking jive

Smoking marijuana, drinking Cult 45

Hey homeboy, let's get drunk today

Let's get drunk today

Let's get high tonight

Maybe in the morning

Things will be alright

I am living under

So much stress and strife

Sometimes I stop and wonder

How to enjoy my life

Bumping my music very loud

Limping down the sidewalk so high

Slap my brother, let's get drunk tonight

Let's get drunk today

Let's get high tonight

Maybe in the morning

Things will be alright

I am living under

So much stress and strife

Sometimes I stop and wonder

How to enjoy my life

Now I'm nice and tipsy

And I'm high-igh
Flirting with the ladies
Walking by-ie-ie
Hey pretty lady, let's hook up tonight

Let's get drunk today
Let's get high tonight
Maybe in the morning
Things will be alright

I am living under
So much stress and strife
Sometimes I stop and wonder
How to enjoy my life

Buckaa! (chicken sound :P)

(Guitar solo)
