A man can't do
No more than a woman'll let him
She won't make mistake
If she knows she'll regret them
A woman'll stick by ya
Through thick and thin
And a real woman like this
I know I got to win

I know (I know I got a sure thing)
Honey, I know (I know I got a sure thing)
I know (I know I got a sure thing)
I got a sure thing (sure thing with my baby)

Listen to this
Me and my baby been together
Through all kind of weather
I don't care what happens
We're always together
When I see her talking
With some fellow out on the street
When the conversation's over
She comin' straight home for me

Yeah! (I know I got a sure thing)
Oh yeah! (I know I got a sure thing)
I know (I know I got a sure thing)
I got a sure thing (sure thing with my baby)

Listen to this too
I go to work in the morning
With a satisfied mind
Don't have to worry
About that woman I left behind
When I come home in the evening
My aching back should
Dinner's on the table
And my woman's in the tub

Oh! (I know I got a sure thing)
Ha ha ha! I know! (I know I got a sure thing)
I know (I know I got a sure thing)

I know (sure thing with my baby)
Mmmm (sure thing with my baby)
I got a sure thing (sure thing with my baby)
Oh! (I know I got a sure thing)
I know (I know I got a sure thing)
She knows everything (I know I got a sure thing)
