Just like a hound dog sniffin 'round
We're keeping our noses close to the ground. Yeah!
Just like a dog scratching at a flea
Can sit, still it would be agony

Chorus:

Let me show you rocks and rainbows, everything in
between
Mighty waterfalls, furry animals, underneath the
evergreens
So come on come on, come on come on,
Come see nature's masterpiece.
Can you feel its majesty?
The beauty and it's mystery
So come on come on, come on
Come on come on, come on
You can take a hike, or catch a pike
Can think of nothing there's here to dislike
Splish splash, hard to keep dry
Almost caught me a sock eye

Chorus

So come on come on, yeah!
Come on come on
Come see nature's masterpiece.
Can you feel its majesty?
So come on come on, come on.
Come on come on, come on.
So come on come on, come on
