Those annoying little things (annoying little things)  
That grab your attention (grab your attention)  
By crawling into places,  
I wouldn't want to mention

They should be taught some manners (taught some manners)  
Despite their height (You're right!)  
They shouldn't take what isn't theirs  
And it's impolite to fight

Chorus:  
Critters on my crackers  
Bugs on my baloney  
Oh my gosh here comes a bumblebee  
Oh my gosh here comes a big bumblebee  
Those little things make your stomach grumble  
Make it wanna fumble, tip and tumble  
Fleas in the flour  
Stinkbugs in my sweet and sour  
Ants in my pants  
And that bumblebee was bigger than an elephant  
Insignificant little things (insignificant)  
When they're on their own (on their own)  
But put them in a squadron  
They'll eat you to the bone  
Delicious little things (yum yum yum)  
You shouldn't knock it (you really shouldn't knock it)  
Cause you know they taste best  
When dipped in chocolate

Chorus

I swear it was this big!

Critters on my crackers  
Bugs on my baloney  
Oh my gosh here comes a bigger bumblebee  
Those little things make your stomach grumble  
Make it wanna fumble, tip and tumble  
Critters on my crackers  
Bugs on my baloney

O Oh!

Fleas, flies, beetles, bugs, maggots, mice, spiders,  
slugs

Critters, critters, critters

On my crackers
