"Dare To Dance"

I'm not a very good dancer.
Don't be afraid.
Anybody can dance.
Not me!
We'll help you!
You gotta take a chance.
You gotta dare to dance.

Do you know how to move?
Then do the boogaloo groove.
Just get up on your feet,
And get into the beat.
You can twist like a tornado,
And do the mashed potato.
You gotta take a chance.
You gotta dare to dance.

Chorus:
Don't be afraid cause there's a party to be made right
here.
So just dare to dance, Yeah, just dare to dance.
Come on and take a chance.
Don't be a scaredy-pants. Just dare to dance.
Dare to dance.

If you wanna be a star, just play the electric guitar.
If you're feeling all alone, just play the saxophone.
Or put your hands to your side, do the electric slide.
Don't be so grim, come on and do the swim and
squirm.

Chorus

You gotta get into the beat,
You gotta get onto your feet.
You gotta get into the groove,
You gotta get the big move.
You gotta jump onto the floor,
You gotta move until you sore.
You gotta dance until you laugh,
You gotta follow that path!

Chorus (2 X)

Dare to dance!

Ta dah, hee hee hee hee!

Ta-dah!

I can't believe I dance so much!

I gotta catch my breath.

Yeah, me too.
