And now, ladies and gentlemen,
introducing a couple of birds go formal
to Mary-Kate and Ashley

I picked you out, from twenty million birds.
Instant friends, it only took four words.
I said You. I said Whoa. I said Play? I said Hey.
So began our splendid partnership.
And when I think about it...I flip! Flip!
I read you and you read me. Flip! Flip!

It's like telepathy.
Hey come-a-come-a come on.
Come-a-come-a come on.
Let's jump the moon.
We're so in tune, I want to flip!

Flip me five. Flip me ten.
Then five and ten again.

There they were a-swimming in a pack.
They swan away. We called. And they swam back.
We said Play? They said (Dolphins SFX).
We said Hey. They said (Dolphins SFX).
Something clicked and that was just the tip.
And when I think about it...I flip.

Flip! We read them and they read us. Flip!
Flip!

It's just miraculous.
Hey, come-a-come-a come on.
Come-a-come-a come on.
Let's jump the moon.
We're so much in tune, I want to flip!
Flip!

Every creature, small or great,
has a way to communicate.
and when you find it,
you just have to...flip! Flip!

Our friendships not a fluke. Flip! Flip!
A kook can spot a kook.
Hey, come-a-come-a come on.
Come-a-come-a come on.
Let's jump the moon.
We're so much in tune, I want to flip!
Flip!

Flip me five. Flip me ten. Flip. Flip.
Then five and ten again. Flip. Flip.
Big splash. Flip. Flip.
You're all wet.

Flip needs some flippers!
