Gimme pizza, P-I-Z-Z-A. Gimme pizza, P-I-Z-Z-A.

Now we're feeling kind of hungry.  
We got our mega munchies.  
Time to make our pizza as big as some countries.  
How much pizza do you think we can't chow?  
More than our parents whatever a lot.  
We're gonna make a masterpiece a pizza.  
A work of art like the Mona Lisa.  
It's gonna be hot like the Tower of Pisa.  
Let's get there.  
You don't need a visa.

Pizza, P-I-Z-Z-A. Gimme pizza.  
Um, did I happen to say,  
I want pizza. P-I-Z-Z-A. I want pizza.  
Hey, are you ready to play?

Now set down the pizza and bring me some chicken.  
Throw it on top and make your finger lickin'.  
Guacomole, meatballs, whip cream pours like  
waterfalls.  
Here's a lot of salsa to make it hot.  
Here's a lot of ice cream that hits the spot.  
Toss the fish, let it fly, fly, fly, pizza pie.

Pizza, P-I-Z-Z-A. Gimme pizza.  
Watch it rise like a souffle.  
Gimme pizza. P-I-Z-Z-A.  
I want pizza. You think we should stop?  
No way!

Get your motors running, cause here we go.  
Taco stocks, spreading it slow.  
Oreos, marshmallows, caramel coconut cream,  
Egg foo young, chicken tongue.  
Hold the eyeballs. I'm gonna scream.  
Now don't forget the right-sized mashed potatoes.  
And what about those fried green tomatoes?  
Saturn's up, catcher's ready.  
1-2-3-4-5...spaghetti!

Pasta...Put it in the pizza.  
Fish sticks...Put it in the pizza.  
Ketchup...Put it in the pizza.  
Meatloaf...Uh, put it in the pizza.

Pizza, P-I-Z-Z-A. Gimme pizza.  
Add some tacos, OLE'!  
I want pizza. P-I-Z-Z-A.I want pizza.  
Call us the queens of gourmet.

I want pizza. P-I-Z-Z-A. Gimme pizza.  
How much does it weigh?

I want pizza.P-I-Z-Z-A. I want pizza.  
Is it finally done?  
HOORAY!

Here it is, ready to serve.  
This pizza is made, YEAH!
