Gliding down the hillside out among the evergreens.
Starting real slow with a snowplow.
Soon we'll be...
We'll be breaking from the gate and racing down the
diamond run.
Kicking up the powder and the day has just begun.

Chorus:

Goin' super fast.
Trying to hold on to what we've got.
I like it but you know it won't last.
Soon we'll be back on top.
But right now, we're goin' super fast.
Did you see me do that. Did you see me almost fall.
Everybody's out there. Everybody's having a ball.

Chorus

Revving up the motor. Tearing up the mountainside.
Buckle up and hang on tight. It's a bumpy ride.

Chorus

Goin super fast.
