Hey, I got one for you guys.  
Mary-Kate & Ashley: Great! Cool!  
Check it out!

Mmm...It's Christmas time...

Have yourself a merry little Christmas.  
Let your heart be light,  
From now on our troubles will be out of sight.

Have yourself a merry little Christmas,  
Make the Yule-tide gay,  
From now on our troubles will be miles away.  
Yaaa!

Here we are as in golden days,  
Happy golden days of yore,  
Faithful friends who are dear to us  
Gather near to us once more.

Like you two.

Through the years  
We all will be together  
If the fates allow,  
Hang a shining star  
Up above the highest bough,  
Oh yeah.

And have yourself a merry little Christmas now.

Music

And won't you have yourself a merry little Christmas  
now.

A merry little Christmas now.  
I want to wish you a Merry Christmas.  
A merry little Christmas now.  
I want to wish you a Merry Christmas.  
A merry little Christmas now.  
I want to wish you a Merry Christmas.

A merry little Christmas now.
