Sometimes when the rain falls
Or when I'm feeling, really sad
Or if I get lonely
Or if I've behaved real bad

Chorus:

I'll get hugged by you
I'll feel better
Through and through
'Cause I've been hugged by you
I wish you knew
How much I love being hugged by you

Sometimes when I've fallen
Scraped my knee and bruised my pride
In the distance you'll be calling
And running' by my side

Chorus

I've been hugged by you
I wish you knew
How much I love being hugged by you
How much I love being hugged by you.
