Hello, weâ€™re twins  
Weâ€™re twins, yes sir  
I am me, she is she  
Except when i pretend I'm her  
And when we switch  
You canâ€™t tell which is which  
You dont know who youâ€™re talking to  
â€™Cause weâ€™re identical â€™dential â€™dential  
Identical twins

We look a lot alike  
But we are not alike  
Iâ€™m loud â€“ I'm quiet  
Sheâ€™s serious â€“ sheâ€™s a riot!  
Weâ€™re totally â€“ totally  
Different - different  
Identical twins

We read different stories  
We watch different shows  
And have slightly different colored hair  
We wear different bows  
We dance to different music  
We laugh at different jokes  
Gosh, gosh, itâ€™s like weâ€™re  
Two different folks

Though we appear alike  
We're nowhere near alike  
Sheâ€™s sweet  
Sheâ€™s saucy â€“ What's that mean?  
Youâ€™re bossy!  
Says you! â€“ Itâ€™s true!  
Is not â€“ Is too!

Weâ€™re totally â€“ totally  
Different â€“ different  
Identical twins

I am not a xerox  
I am not a clone  
A duplicate

A copycat  
A second scoop  
On an ice cream cone

Friends, Pals Partners, chums  
But we're marching to different drums

We look a lot alike  
But we are not alike  
Two - two  
Totally - totally  
Utterly-Utterly  
Opposite - opposite  
Totally - totally  
Different - different  
Identical twins

Twins twins twins twins twins twins twins twins twins  
twins twins twins  
Identical twins

Twins twins twins twins twins twins twins twins twins  
twins twins twins  
Identical twins

Two - two  
Totally - opposite  
Utterly - different  
Opposite - Utterly  
Totally - opposite  
Different - totally  
Identical twins  
Identical twins  
Deedle leedle dee dum
