What do you see when you look at me?
Just use your imagination
Can you see me on the cover of a magazine?
Like the beautiful models that everyone's seen

Vogue or Chic or Mademiselle
It's all so glamorous, and I couldn't tell
That on the outside it's as cool as can be
But on the inside I'm still me

Chorus:
I can be anything I want
I can be anything I need
Make believing all day long
But on the inside I'm still me
What do you see when you look at me?
Through the lens of a fashion camera
Striking a pose like a Covergirl
Whose picture is famous all over the world

Donna Karen, Calvin Klein
Fashion fun is so divine
On the outside it's as cool as can be
But on the inside I'm still me

Chorus

Yeah, Yeah, Yeah, Yeah
I can be anything that I want
I can be anything that I need
Whoo!
Make-believing all day long
But on the inside I'm still me
