"Imagine"

Visit "[Imagine](#)" on MotoLyrics.com

I can imagine wonderful things
Caves in the backyard, boats with wings
And I can turn any old, everyday thing I find
Into something useful with my mind

Chorus:
Cardboard carton English castles
Laundry basket racing cars
Dinosaurs in secret hideouts
Jungle gyms that fly to the stars

Imagine, imagine
That is what I do all day
And my imagination could change the world someday

Chorus (X 2)

And our imaginations could change the world
someday!
And our imaginations will change the world today!
